

Your Comments Requested!

Public Meeting
October 24, 2007
5:30 to 7:30 p.m.
Presentation at 6 p.m.

City of San Diego
Balboa Park Club - Ballroom
2150 Pan American Rd. West
San Diego, CA 92101

You are invited to attend a public meeting to provide comments about draft updates prepared for storm water quality standards in the City's Land Development Manual. At the meeting, an overview presentation regarding the draft updates will be given at 6 p.m. City staff and technical experts will also be available to answer your specific questions and collect your comments before and after the presentation.

The updates to the storm water quality standards will affect certain aspects of construction operations and design requirements for land development projects occurring within the City of San Diego. The updates are required by the San Diego Regional Water Quality Control Board January 2007 storm water discharge permit for the City.

Areas affected by the updates (see details on back and on the Think Blue Web site):

Construction operations

- Phased Grading
- Advanced Treatment

Land development design requirements

- Low Impact Development (LID)
- Treatment Control Best Management Practices (BMPs)
- Interim Hydromodification Criteria

Web site information

The draft updates will be available on the Think Blue Web site, **www.ThinkBlue.org**, on or about October 10, 2007. The Land Development Manual chapters that contain the draft updates will be posted, as well as a link to the full Manual.

Public comment period

The public comment period will last for 30 days and will begin once the draft updates are posted on the Think Blue Web site on or about October 10. Please check the site for this schedule. Comments can be submitted online at the Web site in the "Documents for Public Comment, Land Development Manual Updates" section or by mail to:
